HX INSIDER

Face to Face NYC

PROSTATE CANCER AWARENESS WEEK: SEP 17- SEP 22

Every three minutes, 1 man is diagnosed with prostate cancer. As the 2nd leading cause of cancer death in men, the need to educate and raise awareness is at an all-time high. While regular screenings and early detection are key to rates of survival, many men still do not know the importance of frequent checkups.

Foundations and education centers pave the way for a brighter future. During the week of Sep 17, Face to Face will donate \$10 to The Prostate Cancer Education Council (www.pcaw.com) during these services:

MASSAGE WITHOUT BORDERS An incredible head to toe massage combining Shiatsu and Deep Tissue that leaves no knot unraveled; \$165 for 100 minutes.

Y-CHROMOSOME FACIAL Created especially for men, this treatment targets common, facial skin woes like ingrown hairs and shaving irritations; \$160 for 80 minutes.

Book an appointment today to help your fellow man in need!
