Our 10 Most Metrosexual Latinos!

By Kate Sandoval | 03/25/2011 - 00:22 | 0 Comments

A recent study by Univision found that Latino men use styling products, moisturizer, and fragrance twice as much as other men. Not to mention the American Society of Aesthetic Plastic Surgery's recent report that male breast reduction is now one of the 5 most popular cosmetic procedures. But these findings are probably obvious to you: our men have always been into manscaping. Just ask Enrique Ramirez, self-described guy-brow expert and founder of **Face to Face NYC**. Here are our top 10 most impeccably groomed men:
