Been out my entire life!

Mmmmm...I don't have one. I need to get a life.

Boxers, briefs, or neither?

Nothing comes between me and my G-Star.

As important as Prada!

Who's your first choice for President?

I think Obama is kind of cute. I would certainly vote for him if the size is right.

Iced venti soy latte from Starbucks, even when it's 10 below.

Manhattan has the hottest looking guys in the world—certainly a culprit in global warming.

Aussiebum when I want my package to appear 3-dimensional.

Clean, cozy, and inviting...

That back waxing is over! On a serious note, low self esteem—the root of drug, alcohol, or steroid abuse.

Sleep with Colin Farrell, Chris Meloni, and Matt Dillon...oh wait...you said one...I'll take Tom Brady.

What is your best quality?

Good sense of humor.

DATING

Rambles in Central Park at 4am with a stranger who was missing the right middle finger.

Would like to have sex with a priest while dressed as a nun! I think that's sinful enough.

What's your most sexy body part we can't see in your photo?

My engorged veins, especially after a good workout.

Describe "good in bed."

High testosterone with low inhibitions makes the world go round.

Does size matter?

Yes, it touches my core and my essence and it gives me a healthy glow without a pricey facial.

One-on-one sex always or sometimes a threesome?

Ones.

Would you pose nude?

I'm already taking applications for a fluffer.
