

The Dirty Hairy Cut for Men at "Face to Face" NYC Day Spa

July 30, 12:47 AM · Charu Suri - NY Spa Treatments Examiner

Hair may have been a rock musical hit in the '70s but the 21st century man is rockin' to a different tune.

No girl likes her man as hairy as Joaquim Phoenix, so **Face to Face NYC Day Spa** had an elegant fix. Enter the [Dirty Hairy Cut](#) service, where men alone can receive lock and hair snipping in areas like the face, head, back, chest.

A full body service is \$100. For one body part, you pay \$25, and \$20 for two or more body parts.

The photo shown here was taken by celebrity photographer **Jon Moe**, and specially for the Dirty Hairy Cut treatment.

This is a spanking new treatment, so be sure to let us know how you enjoyed it!
